

CANADIAN CHURCHES

Registration Process

We recognize in the CHIC Office that there are differences between the way churches in the US and Canada complete registration for CHIC, primarily because of the exchange rate. Below is the process we ask that you use in submitting your registration materials and payments:

Upon the completion of the Group Registration Forms (or online) the CHURCH CHIC Contact will:

1. Mail the completed registration materials and checks to:

Corinne Stoter
#605, 2445 Kingsland Rd. SE
Airdrie, AB T4A 0B5

DO NOT SEND FORMS TO University of Tennessee DIRECTLY

PAYMENTS:

All checks should be made out to the Canadian Conference Office as either:

- ECCC or
- Evangelical Church of Canada

2. Julia Sandstrom (the ECCC Director of Ministry Support) will deposit the checks. Julia will send all the completed registration materials collected and a single check in USD to the CHIC Office (made out the Evangelical Covenant Church).
3. The CHIC Office will then complete the registration process with UT on your behalf. Corinne Stoter is serving as the CHIC 2015 Liaison for Canada. She has been doing a lot of work to make getting to CHIC an easy and even downright enjoyable task! Please contact her (Corinne.Stoter@covenantevents.org) with any questions you might have regarding not only this process, but transportation and whatever else you may be wondering about in regards to CHIC 2015.
4. Excursions for CHIC 2015 and the Long Road to Justice Service Projects will be available in January 2015, once your church has registered. The CHIC2015 website will list available options later this fall. You can register for these options on line and can pay with a credit card so you do not need to go through the Canadian Conference Office for signups. The credit card will automatically give you the best rate for each event.
